MELODY in EsAC

```
KEY[MELODY 4 C 2/4]
MEL[345_
    3_3_3_2_
    234_
    2_2_3__
    345_
    3_3_3_2_
    234_
    -7_-7_1__  //]
```

Notes: I took a wild guess at the meter in the signature line. I'm not as grounded in music theory as I'd like to be; oh well.
